궁녀의 삶
사극 같은 것을 보면 후궁들이 상감의 바로 옆에서 모고 있는 게도 되지스런 애기들을 거리낌 없이 나누는 모습을 볼 수 있는 데요.... 그런데 궁녀가 특별히 아주 중요하게 생각하는 덕목이 있었습니 다. 바로 평생 동안 정조를 지켜야 하는 것입니다. 그래서 궁녀가 되기 위해서는 철저한 신원 조사를 거쳐야 하고 궁녀가 된 이후에도 궁궐 밖으로 나가 가족들과 만나는 것은 엄격히 제한되었다고 합니다. 또한 궁녀가 되면 평생 동안 상감을 위해 일을 하고 아이를 낳아 길러도 혼인해서는 안 되는 등 궁녀 생활은 정말 힘들고 외로운 생활이었다고 합니다. All the TVs and newspapers have been removed from her palace. Therefore she won't notice for now
Yes. After all, I am the only one who is capable of protecting the Crown Prince..
However, I won't be able to reach the desired power unless there is an emergency. Emergency such as Queen's death..
Right now, I'm merely a figurehead
According to my spy. SangGoongs, there definately is something suspicious about Han SangGoong.
But why would a veteran SangGoong do such thing?
The spy. SangGoongs ought to find it out immediately. I've been growing older and more senseless
However many Daebis in the history used kings in order to achieve the power
I must earn a power. A bit of power that is enough to save the Prince

궁중 용어 상식

궁궐의 건물 이름들을 보면 ~대, ~전, ~합, ~각, ~재, ~헌, ~루, ~정 등의 글자가 공통으로 쓰이고 있는데 왕이 신권사회였던 조선시대에 제아무리 궁궐이라 하더라도 서민들은 백결입니다

전(殿): 건물 가운데 가장 높은 건물로 왕이 정사를 보는 사적인 공간입니다. 왕의 초상을 모시는 곳도 같은 궁내의 묘당(廟 사당전)이며, 사적인 건물의 규모도 크고 웅장 화려함을 갖추게 됩니다

당(堂): 전에 비해 격이 한 단계 낮은 건물입니다. 왕이 머물긴 하지만 비공식적 그리고 전에 준하는 관리들의 공적인 공간입니다. 왕이 왕비는 당에서 생활이 가능하지만 왕자들은 전에서 생활이 불가합니다

합(閤): 전하는 달리 부속 건물입니다

각(閣): 전이나 당에 부속 건물입니다

재(齋): 왕실가족들의 휴식이나 휴게공간과 관원들의 업무공간에 해당됩니다. 때로는 조용하게 독서나 사색을 하는 용도로 쓰는 건물입니다

헌(軒): 일상적인 용도에 쓰였지만 휴게용보다는 상대적으로 공무적 기능을 가지는 경우가 많았습니다

누(樓): 주로 주위의 경치를 감상으로 하는 2층 건물(예: 경회루)로 연회나 잔치 이용을 위해 많이 쓰였으며 OO각 이름은 OO루로 구별해야 합니다

정(亭): 누에 비해서는 작으나 반듯한 점에 있어 보다 많이 쓰였고, 관이 정자라고 합니다

I'm sorry but I haven't even been near your locker
Really...?

What the fuck?
What you gonna hit me, huh?
Wah
You ought to be able to the circle thing
Who do you exactly think I am?
Get ready upon my guards seeing a curly haired fuckface through the monitor
I was expecting a little more intelligence from you to know that even my locker is surveillanced for the protection
Take a good look.
Do you see it?
LEE SHIN, YOU!

Hey, Shin. Don't be like this to me!
If you don't delete it, I'm finished.
How can you take it so seriously when it's just a silly joke?
Are you going to be responsible for me?
Dammit, Lee Shin...
I'm not going to let you get away with this...
But...hey
Didn't you disappear after saying that last time too?
Yeah... We actually thought you'd do something.
In which chapter will you reappear?
Shut up. That's up to the writer

I
confessed to Shin...
Really? So...
Did you hear the answer?
Or...
Or are you planning to spend rest of your life here waiting for his answer?
There's only one chance
What do you mean
If you miss this one you'll never have a chance again

How can you let go of this opportunity just in order to hear his answer?
I never said that, calm down
I just wanted a neat end
So I may not regret after
It's the best way to confess things while you can...
There's no change in my will.
Myself confessing Shin has got nothing to do with the interview.
